Mint Cents	1.25 lb	1827 D.
" Nickels	1.50 lb	2202 ..

(2) of a mixture of domestic, secondary and/or foreign silver and does not, together with any part of such mixture heretofore delivered or transferred by the undersigned to a United States Coinage Mint under the Proclamation of April 24, 1935, amending the Proclamation of December 21, 1933, as amended, exceed the amount of such mixture which has been mined on or after April 24, 1935 from natural deposits in the United States or a place subject to the jurisdiction thereof.

*Strike out whichever clause is inapplicable.

The owner is filing herewith supporting affidavits by the miners, and agrees to furnish such additional evidence as may hereafter be demanded by the Secretary of the Treasury, including affidavits and sworn abstracts from books of account of any or all reduction works handling such silver.

The owner nereby voluntarily consents that the Mint may deduct and retain of such silver so received forty per cent as seigniorage and for services performed by the Government of the United States relative to the coinage and delivery of silver dollars. The owner also consents to accept from the Mint in standard silver dollars, silver certificates, or any other coin or currency of the United States, the monetary value of the silver so received (that is, $1.2929+ a fine ounce), less such deduction of forty per cent.

The owner represents and warrants that the silver is free and clear of all claims and encumbrances of any kind and that (it) has the lawful right to deliver
